Subject: Lakes Region Water Co. Notice of Petition for Rate Increase

Dear Sirs, This is in reply to the undated notice we received on Sept. 18, 2010 about the upcoming meeting in Concord. I realize they, the Lakes Region Water Co., will get an increase in their rates but living in Gunstock Glen, I feel an increase of 179.02 per cent is unreasonable and unthinkable. The water quality is not what it should be, we filter our water to be able to drink it, and we have more than our share of rusty water. We cannot make the meeting so want to be sure you know our feelings on this petition.

Mr. and Mrs. George Lacroix, 10 Heather Lane, Gilford, NH
